PREPARED WITH TRUST
GUIDED WITH EXCELLENCE

RASAP

Rajagiri Accelerated Study
Abroad Program

GLOBAL EDUCATION IS A PROCESS NOT A LAST MINUTE DECISION

International education requires more than applications and offer letters. It demands early preparation, academic readiness, and institutional guidance.

When preparation is rushed, uncertainty follows. When preparation is structured, outcomes improve. **RASAP** integrates global preparation into the undergraduate journey itself.

WHAT IS RASAP

RASAP is a dedicated, on campus international progression framework offered by Rajagiri.College of Social Sciences and Rajagiri Business School.It allows students to:

- 01** Complete their bachelor's degree at Rajagiri
- 02** Prepare systematically for international universities
- 03** Progress through formal academic partnerships abroad

RASAP

is academically governed and institutionally managed.

PREPARATION HAPPENS ON CAMPUS

RASAP includes a structured Global Proficiency Program, delivered across the undergraduate years. Focus areas

MEET THE PROFESSOR

Interactive sessions with international faculty

PERSONAL BRANDING

Building a strong global academic and professional profile

CULTURAL ORIENTATION

Preparing to adapt to new cultures and learning environments

PEER COLLABORATION

Team based learning to develop global skills

Preparation is continuous, not compressed. Students can move forward confidently with **RASAP**

RASAP

enables early financial planning through structured academic partnerships, allowing students to progress with clarity.

Eligible students may benefit from

Tuition fee
waivers

Scholarships

Accelerated
Degree Pathways

By beginning preparation during the bachelor's programme, financial decisions are made early and transparently, not under urgency. This reduces uncertainty and supports informed, responsible planning for international education.

GLOBAL ACADEMIC PARTNERS

International Academic Partnerships

RASAP functions through formal MoUs with internationally recognised universities, enabling direct academic coordination and progression.

Partner Universities Include:

USA

Australia

Europe

New Zealand

Germany

Regular engagement with university delegates ensures continuity, even during global or geopolitical shifts.
